

Year 2 Homework

India

Science

Identify different mammals, reptiles, fish and amphibians in India, then create a mood board or draw pictures.

English

Find a story that is set in India and write your own review. Example books are The Little Princess or Jungle Book.

Maths

Write numbers 1-10 in:

Punjabi

Gujrati

Marthi

Bangli

Telegu

R.E.

Identify all the different religions of India and draw the symbols.

P.E. / Dance

Learn the following dance routine and take pictures and videos of you performing it.

<https://www.youtube.com/watch?v=P3BaxjFRf88>

Music

Look at the different musical instruments used throughout India.

P.H.S.E

Find out about how yoga is used as a form of mindfulness and practice some positions. Take photos.

D.T

Find a simple traditional Indian recipe and make it. Take pictures and tell what and how you made it.

History and Geography

Research the River Ganges and find out where it starts and ends, as well as the importance of it.

Trips

Visit Southall and enjoy the culture. Try some street food, visit the different places of worship and look at the traditional outfits worn.

Visit a travel agent and find a brochure on India.
