

# Nursery Homework

## Communication and Language

Ask your family members what their job is, do they help us in the community?

## Understanding the World

Learn your address and practise what you would say if you were in an emergency and had to call 999.

## Literacy

Create a thank you card to send to someone that has helped you. You could draw or paint your picture.

Remember to use your best writing to say 'thank you' and remember to write your name.

## Maths

Have a plastic bag in each hand containing different objects.

Try and decide which is heavier and which is lighter in weight

## Physical Development

Role play being a Fire Fighter – what do they do?

## Expressive Art and Design (Design)

Create your own emergency vehicle. Think about its features – sirens,

hosepipes, ladders, bright colour. You could make your vehicles out of old boxes, bottle tops and cardboard tubes.

## Expressive Art and Design (Music)

Listen to nursery rhymes about people that help us:

## Technology

You could use technology by switching on the TV or computer to watch 'Me too' or 'Balamory' on Cbeebies as both show the roles of different jobs in the community.

## Trips

Take a trip to Kidzania at Westfields Shopping Centre, White City, London. This is an indoor centre with building replicas where children can play at careers like being a firefighter or dentist.

Playtrain soft play in High Wycombe, Buckinghamshire has a brilliant immersive role play area – you could try this too!
