

Year 3 Homework

The Caribbean

Science

Design and make a magnet maze.

Look at activity 3 for inspiration from the following website:

<https://www.bbc.co.uk/bitesize/topics/znmmn39/articles/zhj9r2p#zywgg7h6>

English

Create a postcard from a Caribbean island. Remember to use expanded noun phrases, prepositions and fronted adverbials.

Can you use a hyphenated word to challenge yourself?

Maths

Keep a diary of how many hours sleep you had over one week. Which night did you sleep the longest? Which night did you sleep the least?

Create a graph about the climate in the Caribbean. Compare this to a graph of British climate.

R.E.

Find out the main religion in the Caribbean islands.

What are the similarities and differences with the religions we have studied so far?

Music

Find some Caribbean music to listen to.

Appraise the music – what was your favourite piece and why? Who was it by? Can you hear any specific instruments?

ICT

Using Google Slides or PowerPoint, create a presentation about the King's Coronation.

P.H.S.E

Design and make an advert or wanted poster for a 'Best Friend' – think about the qualities they would require.

Art and D.T

Create a 3D model of a cave with various scenes and aspects of cave painting artwork to demonstrate your knowledge of the different cave painting techniques and styles.

History and Geography

Create a holiday brochure for one of the Caribbean islands. Look for interesting facts and pictures to include within it.

Trips

Go to the shops and spend your coins/notes – use your maths skills to check your change!

Visit a travel agent and get some brochures about the Caribbean.
