Year 3 Curriculum Map

English

- Our book this term is The Iron Man with the Power of Reading.

- Our grammar focus will be on conjunctions, adjectives, contractions, prefixes and suffixes.

Maths

- Pupils will complete weekly arithmetic and times tables challenges.
- Division and multiplication.
- Worded problems and practical problem solving.
- Children will be developing their maths skills across the curriculum during our daily Maths Meetings!

Other Subjects

PE

Gymnastics

- Dahl class have PE every Monday and Tuesday afternoons.
- Bronte class have PE every Monday and Tuesday afternoons.
- Please make sure your child has the appropriate P.E. kit in school.

Topic

British Historical Heroes

Art

L.S. Lowry

We will be exploring the art and techniques used by the artist.

P.S.H.E.

Dreams and Goals.

- Children will discuss dreams, emotions and feelings about achieving their goals. Inspiring people and winners.
- Pupils will discuss how to achieve their personal best and setting realistic goals.

Science

Forces and Magnets

- * Exploring how magnets attract and repel, how they have two poles, and predicting what the magnets will do with different objects and to different surfaces.
- * Comparing and grouping together a variety of everyday materials on the basis of whether they are attracted to a magnet and identifying magnetic materials.

How you can support your child at home.

Reading

Please try to hear your child read daily. While hearing them read please ask them some questions about their book, for example;

What do you like best about the book you are reading?

What do you think will happen next in the book?

Pick out examples of interesting verbs, adjectives and adverbs.

Homework is issued on Friday and due the following Monday.

Weekly: English x 1, Maths x 1, Spellings x 1 (Tested on the Friday).

Reading as often as possible and continue to revise times tables. We change reading books on Tuesdays.
