Year 3 Curriculum Map

English

- Our book this term is 'Gorilla' by Anthony Browne with the Power of Reading.

- Our grammar focus will be on punctuating speech, past tense verbs and writing in the voice of the third person.

Maths

- Pupils will complete weekly arithmetic and times tables challenges.
- Children will be developing their understanding of length and perimeter.
- We will be building on our knowledge of the different operations to investigate fraction of number and shape.
- Children will be developing their maths skills across the curriculum during our daily Maths Meetings!

Other Subjects

PE

Gymnastics

- Dahl class have PE every Monday and Tuesday afternoons.
- Bronte class have PE every Monday and Tuesday afternoons.
- Please make sure your child has the appropriate P.E. kit in school.

P.S.H.E.

Healthy Me

- Children will discuss how to keep fit and stay healthy.
- They will understand what a balanced diet consists of and will discuss how to keep themselves and others safe.

Topic

Exploring our local area

Science

Light

- Light
- Exploring what is light.
- Light sources.
- Shadows.
- The Sun as a light source.
- Reflection.
- White light.
- For example:
- Exploring what happens when light reflects off a mirror or other reflective surfaces.

Design and Technology

Purse making

We will be exploring, designing and producing a purse that will be able to hold money and have a practical use.

How you can support your child at home.

Reading

Please try to hear your child read daily. While hearing them read please ask them some questions about their book, for example;

What do you like best about the book you are reading?

What do you think will happen next in the book?

Pick out examples of interesting verbs, adjectives and adverbs.

Homework is issued on Friday and due the following Monday.

Weekly: English x 1, Maths x 1, Spellings x 1 (Tested on the Friday).

Reading as often as possible and continue to revise times tables. We change reading books on Tuesdays.
