

Reading:

- Use the BBC Bitesize KS2 guide to help with your comprehension skills:
<https://www.bbc.co.uk/bitesize/topics/zs44jxs/year/zncsscw>
- Read something that isn't a book - a newspaper or magazine.

GPS (Grammar, punctuation, spellings):

- When reading, choose a paragraph and see if you can explain all the punctuation used in it.
- Use the BBC Bitesize KS2 revision guide to help re-cap all we've learnt:
<https://www.bbc.co.uk/bitesize/topics/zhrdd2p>

Additional ideas:

- Find out how many Amur tigers there are left. What is being done to protect them?
- Read an article on the 'National Geographic Kids' website.
- Research mindfulness. Make a list of your top 5 calming techniques that work best for you.

Maths:

- TT rockstars (encourage your children to do tables they are not confident with).
- Hit the Button (game)
- Mathszone (games for every topic)
- Mathsalamanders (printable worksheets)
- BBC bitesize
- Third space learning (lots of free resources but some paid)

Year 6

**Writing:**

- Find out what inspired your favourite author to get into writing.
- Have a go at writing a diary entry from the point of view of a famous person on a special day.
- Write a letter to your favourite historical character telling them why they are your hero/heroine.
