

Tag Rugby Champions!

Congratulations to the Hermitage Tag Rugby Team who managed to win this year's District Tag Rugby Tournament.

This evening Anton, Ryan, Karam, Sofia, Tom, Josh, Grace, Ralph, Ben and Anya represented Hermitage in the annual Year 4 and 5 Tag Rugby Tournament at Oak Farm Juniors. As a fairly new team, we were unsure of our chances playing against the other 15 teams in the district. However, the team quickly found their form in the first game, and powered to an impressive victory. Hermitage, continued their good form in the group stage and qualified for the knockout stages.

Following victories in nail biting quarter and semi-finals, this amazing group of children made it through to the tournament final against a very good Oak Farm team.

In a superb finali, Hermitage won the final 4-2, winning the entire competition, gold medals and the cup for the first time ever in our schools history.

Thank you to all of the players for a truly remarkable evening. You all played your socks off! Also thank you to the parents who supported us, despite the hail, snow, rain and sunshine.
