THE INVINCIBLES! Hermitage 24-1 St. Andrew's

They've done it! Hermitage are this year's girls' netball league champions!

This evening, our team took on St. Andrew's in their final game of the season and with the championship in sight, they were determined to finish the league in style. As the first whistle blew, Hermitage quickly demonstrated why they are at the top of the league. They dominated possession, made every pass and quickly found themselves 9-0 up by the first quarter. The pressure from our team was relentless and the goals kept on coming. By the end of the game, Hermitage had won the game by an outstanding 24-1.

The girls have had an unforgettable season, winning all eight of their games played. From their first win against St. Bernadette's in September, it was clear to see that we had a very talented group of girls in this year's team. Since that first victory the girls have been unstoppable, winning every quarter played, scoring in double figures in every match and finishing the season with a breath-taking 125 goals scored. To say that this group of players are champions is simply an understatement. Congratulations girls on an incredible season. We all admire your passion, positive attitude and dedication, especially on those cold, icy mornings.

PLAYER OF THE MATCH: April (DaVinci)

The team voted for April as today's player of the match for her sublime shooting in the first quarter.

PLAYER OF THE SEASON: April, Anya, Grace, Avina, Sally, Sahaja, Rachel, Renne, Rhiannah.
